- (l) the Borrower shall provide such information, execute such documents and do such acts as the Lender may reasonably require from time to time.

5. Borrower Account

- 5.1 Upon receiving a Loan drawdown request from the Borrower by the Lender and subject to Clause 2 above, the Lender will credit the requested amount of the Loan to the Borrower Account or in such other manner as the Lender may reasonably specify from time to time.
- 5.2 The Lender will debit from the Borrower Account the amounts payable by the Borrower to the Lender from time to time, or make the debit in such other manner as the Lender may reasonably specify from time to time.

6. Payments

- 6.1 A Loan must be repaid (including its principal amount and interests) on the Loan Maturity Date of such Loan.
- 6.2 **Subject to Clause 6.3 and the Lender’s overriding right to adjust the interest rate as mentioned in Clause 7.1 below, the Borrower shall pay interest on a Loan on a monthly basis at the end of each One-Month Interest Period during the Loan Tenor of such Loan.**

Monthly interest on a Loan is calculated as follows and rounded to two decimal places:

$$\frac{\text{principal amount of the relevant Loan} \times \text{effective annual interest rate}}{365 \text{ days}} \times \frac{\text{total number of days in the relevant One-Month Interest Period}}{365 \text{ days}}$$

- 6.3 In respect of the Borrower’s repayment obligation for the last One-Month Interest Period of a Loan, the Borrower shall repay, on the Loan Maturity Date of such Loan, the principal amount of such Loan plus monthly interest accrued on such Loan during such One-Month Interest Period in one single repayment in one lump sum (the “**Final Repayment Amount**”).

- 6.4 The Lender will debit from the Borrower Account the interests of a Loan on a monthly basis at the end of each One-Month Interest Period and the Final Repayment Amount on the Loan Maturity Date of such Loan.
- 6.5 If any Loan Maturity Date or the Loan Facility Expiry Date falls on a non-Business Day, the amount due and payable by the Borrower to the Lender shall become due and payable on the following Business Day. The Lender will not take the deferral of payment to the following Business Day in these circumstances as late repayment and will not charge additional or default interest for such deferral.
- 6.6 In making payments to the Lender in connection with the Loan Facility, the Borrower shall pay the Lender in Hong Kong Dollars.**
- 6.7 If there are insufficient funds in the Borrower Account to discharge all the amounts then due and payable by the Borrower in connection with the Loan Facility, the Lender has the right to apply the funds towards the indebtedness owing by the Borrower in such order as the Lender considers appropriate. The Lender's right under this Clause 6.7 overrides any request or direction from the Borrower or the Guarantor for applying the funds in any other order or manner.
- 6.8 If any amount received by the Lender in respect of any indebtedness owing by the Borrower to the Lender is required to be repaid in whole or in part due to any law relating to insolvency, bankruptcy or liquidation or for any other reason, the Lender has the right to enforce these Terms and Conditions or any other Finance Documents as if such amount had not been received.

7. Interest

- 7.1 Interest (including default interest) shall accrue and shall be calculated on such basis and be due and payable at such times and shall be compounded in such manner as the Lender may determine in its sole discretion. In particular, the Lender reserves an overriding right to adjust the interest rate and/or the basis of calculation of interest if the Lender determines that, due to including but not limited to market conditions or other circumstances beyond its reasonable control, the existing interest rate or the basis of calculation of interest does not reflect its actual cost of funding or maintaining the Loan Facility.**
- 7.2 If the Lender revises the monthly interest on a Loan due to a change in the interest rate, the revised monthly interest will become effective from such date as notified by the Lender to the Borrower in writing.
- 7.3 If the Borrower defaults in payment of any interest or the principal amount of any Loan in whole or in part when it is due, or if there are insufficient funds in the Borrower Account to discharge any of the amounts then due and payable by the Borrower in connection with the Loan Facility or any Loan, default interest shall accrue without further notice on the**

overdue amount at the rate specified by the Lender from time to time (both before and after judgment). Such default interest shall accrue from day to day from the due date up to the date on which the Lender actually receives irrevocable and unconditional payment of the overdue amount in full. Any default interest accruing shall be immediately payable by the Borrower on demand by the Lender.

8. Early Redemption

8.1 The Borrower may at any time (except during the service updates or maintenance period of the Lender's mobile banking application) send a request to the Lender via the Lender's mobile banking application to prepay the principal amount of a Loan in full (the "**Outstanding Principal Amount**"), together with the Early Redemption Interest and other amounts (including default interest, if any) of such Loan payable by the Borrower to the Lender up to (and including) the date of prepayment, provided that the Borrower shall pay for (i) any cost or expense incurred by the Lender arising from or in connection with such prepayment, and (ii) unless it is waived by the Lender, an early redemption fee prescribed by the Lender. For the avoidance of doubt however, partial prepayment of the principal amount of a Loan (whether or not such partial prepayment is made together with the accrued interest and other amounts (if any) of such Loan payable by the Borrower) is not allowed.

8.2 For the purpose of this Clause 8:

$$\text{"Daily Interest Rate"} = \frac{\text{Effective Interest Rate}}{365}$$

$$\text{"Early Redemption Interest"} = A \times B \times C$$

whereas:

A = the Outstanding Principal Amount;

B = the Daily Interest Rate; and

C = the number of calendar days after the end of the last One-Month Interest Period of the relevant Loan and up to (and including) the date of prepayment of such Loan.

8.3 Any prepayment request sent by the Borrower to the Lender is irrevocable unless with the Lender's prior written consent.

9. Repayment on Demand

The Lender has the right, at any time, to demand immediate repayment in full of the outstanding principal amount of any Loan. If the Lender exercises such right, the Borrower is required to repay:

(a) the outstanding principal amount of the relevant Loan; and

- (b) the interest at the rate specified by the Lender at the time, starting from the date of demand up to (and including) the date of repayment (whether before or after judgment), accrued on the outstanding principal amount of the relevant Loan and accrued on any overdue interest repayment(s).

10. Annual Renewal

10.1 Not earlier than three (3) months before the Loan Facility Expiry Date (excluding the Loan Facility Expiry Date), renewal of the Loan Facility is available upon request of the Borrower to the Lender and subject to the Lender's sole discretion and availability of funds.

10.2 Any renewal of the Loan Facility granted by the Lender is subject to an annual renewal fee at a rate specified by the Lender from time to time.

10.3 Details of renewal are subject to the Lender's renewal assessment result.

11. Fees, Costs and Expenses

11.1 The Borrower shall pay to the Lender on demand all costs and expenses (including legal and out-of-pocket expenses) incurred by the Lender in any one or more of the following matters, in each case together with interest from the date it is incurred or becomes payable to the date the relevant cost or expense is actually received by the Lender (both before and after judgment), accruing from day to day at the rate of default interest:

- (a) in connection with the Lender's negotiation, preparation, execution and registration and any amendment to or waiver or consent under the Letter or any other Finance Documents;
- (b) as a result of any failure by the Borrower or the Guarantor to perform any of its obligations in connection with the Loan Facility;
- (c) in contemplation of, or in connection with, the preservation, exercise or enforcement (or attempted preservation, exercise or enforcement) of any rights and interests under or in connection with the Loan Facility; and
- (d) in obtaining any advice in relation to any matter or question arising from or in connection with the Loan Facility.

11.2 The Borrower shall pay to the Lender any handling fees, commissions, arrangement fees, commitment fees and other fees or charges at such rate or amount as the Lender may prescribe and notify the Borrower from time to time.

12. Tax Gross Up; Indemnities

12.1 Tax gross-up

- (a) All payments made or to be made by or on behalf of the Borrower to the Lender in connection with the Loan Facility shall be made to the Lender free and clear of and without any deduction or withholding of any kind. If at any time the Borrower is required to make any deduction or withholding (whether for or on account of Tax or any other reason) from any payment to the Lender, the sum due from the Borrower to the Lender in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Lender actually receives on the due date for such payment (and retains, free from any liability in respect of such deduction or withholding) a net sum equal to the sum which the Lender would have received had no such deduction or withholding been made or required to be made.
- (b) It is the sole responsibility of the Borrower to effect payment of any deduction or withholding to the relevant Authority within the applicable time limit. Within thirty (30) days of effecting the required payment, deduction or withholding, the Borrower shall deliver to the Lender evidence to the reasonable satisfaction of the Lender that the required payment, deduction or withholding has been made.
- (c) The Borrower shall as soon as reasonably practicable on becoming aware that it is required to make a payment, deduction or withholding (or that there is any change in the rate or basis of a payment, deduction or withholding) notify the Lender accordingly.

12.2 Tax indemnity

Without limiting or reducing the effect of Clause 12.1 above, if the Lender is required to make any payment of or on account of Tax on or in relation to any sum received or receivable in connection with the Loan Facility (including any sum deemed for purposes of Tax to be received or receivable by the Lender whether or not actually received or receivable) or if any liability in respect of any such payment is asserted, imposed, levied or assessed against the Lender, the Borrower will promptly indemnify the Lender on demand against such payment or liability, together with any interest, penalties, costs and expenses payable or incurred in connection with it.

12.3 Other Taxes

- (a) The Borrower shall pay any and all stamp duties, registration and other Taxes that are payable in respect of the Loan Facility, any Finance Document or any transaction contemplated by it.
- (b) All fees and consideration expressed to be payable in connection with the Loan Facility or any Finance Document by the Borrower to the Lender are exclusive of any goods and services tax, consumption tax, value added tax or any other indirect Tax of a similar

nature. If any indirect Tax is chargeable on any supply made by the Lender to the Borrower in connection with the Loan Facility or any Finance Document, the Borrower shall pay to the Lender (in addition to and at the same time as paying the fees or consideration) an amount equal to the amount of the indirect Tax.

- (c) Where the Loan Facility or any Finance Document requires the Borrower to reimburse the Lender for any costs or expenses, the Borrower shall also at the same time pay and indemnify the Lender against all indirect Tax incurred by the Lender in respect of the costs or expenses to the extent that the Lender reasonably determines that it is not entitled to credit or repayment in respect of the indirect Tax.

12.4 Other indemnities

- (a) If any change in an applicable Regulatory Requirement shall:
- (i) increase the cost to the Lender of maintaining or funding the Loan Facility;
 - (ii) reduce the amount of any payment received or receivable by the Lender in respect of the Loan Facility;
 - (iii) oblige the Lender to make a payment in respect of any amount received or receivable by it in respect of the Loan Facility;
 - (iv) cause the Lender to forgo any interest or other amount received or receivable by it in respect of the Loan Facility; or
 - (v) render the Lender otherwise unable to obtain the rate of return on its overall capital which it would otherwise have been able to achieve,

then the Borrower will promptly indemnify the Lender on demand against such amount of increased cost, reduction, payment or forgone interest or other amount.

- (b) The Borrower shall indemnify the Lender, its directors, officers and employees against all liabilities, claims, demand, losses, damages, Taxes, costs, charges and expenses of any kind (including legal fees on a full indemnity basis and other expenses reasonably incurred) which may be incurred or suffered by any of them and all actions or proceedings which may be brought by or against any of them as a result of or in connection with:
- (i) any failure of the Borrower to pay any indebtedness as it falls due or any failure to perform or observe any other provisions of any Finance Document (including any representation given by the Borrower being or becoming untrue in any material respect or misleading);
 - (ii) any information provided by or on behalf of the Borrower to the Lender being or

being alleged to be untrue, incomplete, inaccurate, out of date, misleading or deceptive in any respect;

- (iii) any enquiry, investigation, subpoena (or similar order) or litigation with respect to the Borrower or the transactions contemplated by any Finance Document;
- (iv) any payment in connection with the Loan Facility or any Finance Document being impeached or declared void for any reason;
- (v) the Lender acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorised by the Borrower; and
- (vi) preserving, enforcing or exercising any rights or interests of the Lender in connection with the Loan Facility or any Finance Document, including interpreting or invoking any provision of any Finance Document, taking legal proceedings and enforcing any judgment.

13. Tax Compliance

13.1 Without limiting or reducing the effect of Clause 12 above, the Borrower is solely responsible for complying with its obligations relating to Tax under the Regulatory Requirements applicable to it.

13.2 The Borrower shall provide such information, certificates, declarations, documents or records which the Lender may reasonably require and within such time prescribed by the Lender to enable the Lender to comply with the Regulatory Requirements relating to Tax. These Regulatory Requirements relating to Tax may be prescribed by the laws and the Authorities of Hong Kong and overseas respectively, including FATCA and the automatic exchange of financial account information regime amongst tax authorities.

13.3 The Borrower shall consult its own professional adviser on the Tax matters in connection with the Loan Facility, the Finance Documents and the transactions contemplated by them.

14. Connected Parties

14.1 The Borrower shall notify the Lender whether the Borrower or the Guarantor is in any way connected with the Lender within the meaning of Part 8 of the Banking (Exposure Limits) Rules. The Lender will assume that neither the Borrower nor the Guarantor is connected with the Lender in the absence of such notice.

14.2 If the Borrower or the Guarantor becomes connected with the Lender within the meaning of Part 8 of the Banking (Exposure Limits) Rules subsequent to the signing of the Letter by the Borrower or the Guarantor, the Borrower shall notify the Lender in writing without

delay.

15. Information and Personal Data

15.1 The Borrower consents to the following:

- (a) any information relating to the Borrower and the Finance Documents being used, processed, disclosed, transferred and stored, within or outside Hong Kong for the purposes relating to the Loan Facility and/or the Finance Documents, by the Lender and any other person providing services or support to the Lender or the Borrower.
